**October 23rd, 2025**

**Fire and Police Department Open House:** We were again invited to participate with the Lowell Fire Department for the open house event. It was well attended and it was a nice opportunity to interact with the public.

**Reserve Officers Update:** Reserve Officers Rietveld and Lauridsen have nearly completed their Pre-Basic training and should begin their field training in the next few weeks.

**Hiring Process:** On the agenda is permission to begin a hiring process for the newly budgeted 2026 officer position.

**Monster March:** The event passed with no problems.
