A. POLICY STATEMENT

The Town of Lowell (hereafter referred to as “Town”) is required to conform to Title VI of the Civil Rights Act of 1964 (Title VI) and all related statutes, regulations, and directives, which provide that no person shall be excluded from participation in, denied benefits of, or subjected to discrimination under any program or activity receiving federal financial assistance from the U.S. Department of Transportation (DOT) on the grounds of race, color, age, national origin, gender, disability or income status.

The Town assures that no person in the United States shall, on the grounds of race, color, national origin, or sex be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving federal assistance (23 CFR 200.9 Title 49 CFR 21).

The Civil Rights Restoration Act of 1987 broadened the scope of Title VI coverage by expanding the definition of terms “programs or activities” to include all programs and activities of Federal Aid recipients, sub-recipients, and contractors, whether such programs and activities are federally assisted or not (Public Law 100-259 [S.557] March 22, 1988).

Pursuant to the requirements of Section 504 of the Rehabilitation Act of 1973 (29 USC §794), the Town hereby gives assurance that no qualified disabled person shall, solely by reason of his disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination, including discrimination in employment, under any program or activity that receives or benefits from Federal financial assistance.

In the event the Town distributes federal aid funds to a sub-recipient, the Town will include Title VI language in all written agreements and will monitor for compliance. The Town’s Title VI Coordinator is responsible for initiating and monitoring Title VI activities, preparing reports and other responsibilities as required by 23 CFR 200.9 Title 49 CFR 21.

F. ENVIRONMENTAL JUSTICE

In accordance with Title VI of the Civil Rights Act of 1964, each Federal agency shall ensure that all programs or activities receiving Federal financial assistance that affect human health or the environment do not directly, or through other arrangements, use criteria, methods, or practices that discriminate on the basis of race, color, or national origin. Part of Title VI reads, “No person in the United States shall, on the ground of race, color, or national origin be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity receiving Federal financial assistance.”

The three fundamental environmental justice (EJ) principles are:

- To avoid, minimize, or mitigate disproportionately high and adverse human health and environmental effects, including social and economic effects, on minority populations and low-income populations;
- To ensure the full and fair participation by all potentially affected communities in the transportation decision-making process; and
- To prevent the denial of, reduction in, or significant delay in the receipt of benefits by minority populations and low-income populations.

The Town of Lowell has a commitment to these three environmental justice principles in all work that the Town performs.

- Maintain a log of all Title VI complaints.
- Prepare and submit annual Goals and Accomplishments reports to the Town Council.
- Implement a plan that provides training to Town Staff on the basic requirements of the Title VI implementation plan.

H. LIMITED ENGLISH PROFICIENCY (LEP) POLICY

On August 11, 2000, the President signed an executive order, *Executive Order 13166: Improving Access to Service for Persons with Limited English Proficiency (LEP)*, to clarify Title VI of the Civil Rights Act of 1964. It has as its purpose, to ensure meaningful access to programs and services to otherwise eligible persons who are not proficient in the English language. In addition, The US Department of Transportation published *Policy Guidance Concerning Recipients' responsibilities to Limited English Proficient Person* in the December 14, 2005 Federal Register. This guidance outlines the following four factors that the Town uses to access the LEP populations in Lowell.

1. The number and proportion of LEP persons eligible to be served or likely to be encountered by the Town.
2. The frequency with which LEP individuals come into contact with the program, activity or service.
3. The nature and importance of the program, activity, or service provided by the program.
4. The resources available to the Town and costs.

Summary of the four factor analysis:

Factor 1- The number and proportion of LEP persons eligible to be served or likely to be encountered by the Town is provided below by using US Census information. Only the estimated numbers are provided because the actual number of persons who can speak English less than “very well” are not documented as needing assistance by Town Staff. The total population is provided below to shown general distribution of race and ethnicity in the community. The estimated number of persons that may not speak English “very well” follows and is taken from the US Census Bureau 2019 American Community Survey.

The U.S. Census Bureau provides statistics from April 1, 2020 for the Town of Lowell as follows:

Total population = 10,680

Population by Ethnicity:

Hispanic or Latino = 812 (7.6%) Non- Hispanic or Latino = 9,868

Population by Race:

White = 9,697 (90.8%), African American = 22 (0.2%), Asian = 11(0.1%), American Indiana or Alaska Native = 22 (0.2%),

Native Hawaiian and Pacific Islander = 0, Identified as two or more races = 278 (2.6%).

The US Census Bureau 2015-2019 American Community Survey 5-Year Estimates under “Language spoken at home” indicates the number of people in Lowell who speak English less than “very well” is estimated at 4.8% of 812 people over the age of 5 years old with an error of margin of +/- 0.8%.

Factor 1(continued)-

Considering the margin of error, the number of people in the community that *may* be considered as LEP is estimated at 39 individuals. Based on actual contact between Town Staff and the community there have been no requests from anyone in the service area asking the Town to provide language translation services. Therefore, the LEP population in the community is probably much less than the estimate shown above.

Factor 2- The frequency with which LEP individuals come into contact with the program, activity or service:

There have not been any recent recorded language translation requests nor has there been any complaints concerning discrimination regarding the LEP population known to the Town at this time.

Factor 3- The nature and importance of the program, activity, or service provided by the program:

If at any time a LEP individual requests translation services that are considered important such that denial or delay of access or services or information could have serious or even life-threatening implications, the Town will provide, upon request, services to assist the LEP population including translation of vital Town documents and interpretation services. The Town is not required to provide any and all documents to be translated in their entirety but only enough to convey the basic meaning of those documents to the requesting individual(s).

Factor 4- The resources available to the Town and costs:

The Town of Lowell has a relatively small population of individuals that may be LEP and recent history does not show a need for an intricate plan to accommodate LEP persons. Therefore, using funds to provide all but minimal services is not practical at this time. Considering the minor numbers as estimated in Factor 1 above for the LEP population, the Town plans to provide basic services upon request as discussed in factor 3 above.

Summary of LEP Accommodation Plan

- The Town of Lowell strives to serve its population to the best of its ability and will provide upon request, services to assist the LEP population including translation of vital documents and interpretation services deemed necessary to provide meaningful access to Town services.
- A U.S. Census Bureau ISpeak card is available as part of this document (see Appendix I) and on the Town's webpage and is also available at the Lowell Town Hall located at 501 E Main Street Lowell, Indiana 46336. The distribution of the ISpeak cards may extend to different Departments as the need arises in the future.
- This card allows LEP individuals to communicate their preferred language to Town Staff whereas Town Staff may then access a language translation service to accommodate the needs of the person with LEP. A translation service called INDY Translations, phone number 1-800-695-8772 is available to Town Staff or other translation services may be used as determined by the Town.
- Collect public involvement data to monitor possible LEP individuals in the community. The Town of Lowell utilizes a voluntary public involvement survey to collect information regarding persons affected by proposed projects. The survey permits respondents to remain anonymous, while voluntarily answering questions regarding their gender, ethnicity, race, age, disability status, and household income. This voluntary public involvement survey is available at all public hearings and meetings. Once the survey data has been collected, it will be reviewed and then the survey will be placed in a file for future reference. In the case enough surveys are collected over time to show a significant increase in LEP populations, the Town may consider changes to their LEP policy. Completed surveys shall be retained for a period of three years from the date of the meeting and/or completion of the related project, if applicable. See Appendix G for a sample of this Survey.
- Review written Title VI complaints and ensure every effort is made to resolve complaints informally at the local or regional level and review and update the Town's Title VI plan and procedures as required.
- Staff Training- Staff for the Town will be provided training on the requirements for providing meaningful access to services for LEP persons. Considering the relatively small size of the Town and the estimated small number of LEP individuals in the service area and limited financial resources, current training may be limited to web access to this document and it's attachments by all Town Staff, a log showing the names of all Staff that have been made aware of this document (sign off that they have read the document) and require that all new employees receive the same training. See Appendix H for a sample Training Log.
