WORK SESSION
MARCH 28, 2022

A Work Session of the Lowell Town Council was called to order on Monday, March 14, 2022, at 5:30 P.M., by President Todd Angerman at the Lowell Fire Station. Members present were Todd Angerman, John Alessia, Mike Gruszka, and John Yelkich. Also present were Clerk-Treasurer Judith Walters, Town Manager Craig Hendrix, Tri Creek Ambulance Asst. Director Corey Wietbrock, and Lowell Volunteer Fire Department Board President Mike Ham. The purpose of the work session was to evaluate the fire station building. A list of items for current and future needs for the fire and emergency personnel were reviewed. The Council members left the fire station at 6:00 P.M. Further discussion was held at the Town Hall, with Council member Shane Tucker arriving at 6:10 P.M, and Police Chief Jim Woestman at 6:20 P.M. Discussion followed about everyone paying their fair share toward the maintenance and improvements for the building. Town Manager Hendrix said before we enter into agreement with Etica for a facility assessment and needs study, the amount of work should be determined and then adjust rent for the building to cover costs. Council President Angerman and Councilman Yelkich will meet with Tri-Creek Ambulance Board and townships trustees.

No further discussion, the work session adjourned at 6:44 P.M.
