Digital banners may be submitted in one of two ways. You may submit an image file or you may request a sign created by Town Staff by filling out the remainder of the form. If you submit a digital file, The Town of Lowell will review and upload your file. *Absolutely no edits will be made to your material.* Submitted Image Files must be **720** Pixels high by **1440** Pixels wide. The Town will review your file size but will not edit your content. File formats accepted are: JPEG, PNG, GIF, EPS, PDF only.

If the Town supplies the banner content, the message can be no longer than 5 lines of 18 characters. Please Note: The less characters and lines you have, the more impact the sign will have!! The color of the text and background will be selected by the programmer to contrast other banners on the sign.
